## **2007 Summer FlexiTicket**

**Four** exciting shows from June 13 through September 8!

A **Summer FlexiTicket** is a pass good for 4 tickets. It's a simple, economical way to enjoy Playhouse shows for the summer season.

**We will hold your Summer FlexiTicket Pass at the box office and you may pick it up the first time you come to the theater.** We will not be mailing out your pass but we are happy to confirm your order by email or telephone if you wish. When you have decided upon the show(s) and date(s), make your reservation over the telephone. The numbers on the bottom of your pass will be punched out with each use. With our popular FlexiTicket, choose from the following options for the 4 summer main stage shows included in this offer: Use one ticket each for all four shows OR use all your tickets for one show OR in any combination totaling 4 tickets.

### **Do you need to make reservations in advance with a FlexiTicket?**

You may take a chance at the door on the night of the show, but reservations are strongly suggested to ensure seating during the summer months. To reserve tickets, call at least 24 hours in advance of the performance you wish to attend.

### **Are you guaranteed a good seat?**

Every seat is a good seat at the Playhouse. During the summer months all seating is "reserved", so please select your seats in advance when possible. Visit [www.vineyardplayhouse.org](http://www.vineyardplayhouse.org) to see our seating chart.

### **Easy exchange privileges**

If you are unable to attend a performance for any reason, we will accommodate your exchange requests with up to 6 hours notice. **Please note that tickets are non-refundable.** They are **exchangeable** if you give us notice by 12 noon on the day of the performance for which you have reservations.

### **PLEASE NOTE days and times of performances**

Performances on Tuesdays and Wednesdays begin at 7 PM. Performances on Thursdays, Fridays and Saturdays begin at 8 PM. On the final Thursday of each show, there is an added twilight matinee at 3 PM. There are no main stage shows on Sundays or Mondays.

### **Other Information**

The theater is air-conditioned, so dress appropriately. The theater is fully accessible to all our patrons: we have an elevator, hearing assistive devices and large print programs. Please make arrangements in advance for wheelchair seating.

**Some restrictions apply.** A Summer FlexiTicket may only be used for the shows indicated on the attached schedule from June 13 – September 8. Please note that Monday Night Specials require a separate admission charge and are not a part of this offer. If you are unable to use all of your tickets, feel free to give them to a family member or friend to enjoy.

**If you have any questions please contact Box Office and Business Manager, Brian Ditchfield.

# The Vineyard Playhouse 2007 Summer Mainstage Listing

SUMMER SEASON FLEXITICKETS CAN BE USED FOR ANY OF THE FOLLOWING SHOWS:

JUNE 13 – JULY 7

## THIS ISLAND ALONE

By Catherine Rush and Adrian Blue. Directed by Adrian Blue.

The WORLD PREMIERE of a new play developed at The Vineyard Playhouse and based on the history of Chilmark where for almost 200 years a signing community flourished. The inhabitants of this rural island town have lived and grown together for generations. No one even notices that there are so many deaf folks; just seems that's the way it's always been. 'Til one day, two off-islanders arrive, and with a single question, change the community forever.

JULY 11 – 28

## TWO ROOMS

By Lee Blessing. Directed by Joann Green Breuer.

The Western world. The Middle Eastern world. Two worlds. Two rooms. Where wife and husband map a modern geography of love, politics, and the press. Time Magazine's Best Play of 1988 is all the more relevant today.

AUGUST 1 - 18

## COPENHAGEN

By Michael Frayn. Directed by Jon Lipsky.

Fate hangs in the balance and the soul of man is revealed, in this Tony Award winner for Best Play in 2000. Two atomic scientists meet in Copenhagen in the thick of World War II. What they said to one another may have changed the course of history. But no one knows for sure what was said or why. And no one knows for sure what motives lay buried in their hearts.

AUGUST 22 – SEPTEMBER 8

## PURE CONFIDENCE

By Carlyle Brown. Directed by MJ Bruder Munafo

The NEW ENGLAND PREMIERE of a new play inspired by historical accounts of African American jockeys. On the eve of the Civil War, Simon Cato - brash, smart and funny - plans to buy his freedom from slavery. With a vivid backdrop of fast horses and high stakes betting, Pure Confidence is an extraordinary tale of human triumphs and failings that explores the true meaning of freedom. A hit in the 2005 Humana Festival of New American Plays.
